Woman's lot is a weary one at best. But with backache and other distressing kidney ills life indeed becomes a burden. Doan's Kidney Pills have made life brighter for many Norwich women. Read what Mrs. C. E. Fowler, 581 E. Main St., says: "I am very seldom without Doan's Kidney Pills in the house; I put them at the Lee & Osgood Co. I have had attacks of backache which have come on from a cold. Sometimes over-work has brought on these dull pains across my kidneys. I haven't used Doan's Kidney Pills continually, but just when my back has ached and felt weak and I have never failed to get relief. I recommend Doan's highly, because of my experience with them."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Fowler had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

The semi-annual meeting of the National Association of Cotton Manufacturers, which is to be held at the Conkey Plaza, New York, Oct. 17, 18 and 19, promises a meeting of unusual interest and importance.

Agents of the United States bureau of markets are making a strenuous effort to unload a million bushels of wheat that are stored away in pantries, attics and cellars in the four principal cities in Connecticut.

Highway Commission of New London is disappointed at the action of the jail authorities of Fairfield county in reducing the number of prisoners for work on highways to a million.

New London county furnishes none. In some cities of the state the delivery of coal to households has been restricted to one-half of the coal supply for the winter, where more than eight tons were usually ordered, the dealers in those cities being so far behind in the delivery of their orders.

In Connecticut, the autumn sheep four to six according to Commissioner of Domestic Animals James M. Whitley. There are only about 18,000 sheep in the state, and if they were not for the risk of ravages by dogs there would be several times as many.

Some bright chap writes: "And all this time the state ticket is to be interviewed concerning their view on suffrage too before election. Get ready, boys. No use. It's simply a trick to get the state ticket to look at in Canada. He didn't know a thing about suffrage. So what's the use?"

From present indications there is going to be a merry little discussion at the coming meeting of the Waterbury board of education when the commissioners are likely to discuss the advisability of admitting teachers, who have married soldiers or sailors, to continue as instructors.

Cattle Commissioner Whitley has been notified of the destruction of twelve sheep by dogs in East Haddam belonging to Joseph Jeffrey. The town will compensate the owner of the sheep for his loss and the owner will reimburse the town for the amount which it pays Mr. Jeffrey.

He also emphasized that once in a while an extension of time in filing of these blanks, remittances of the taxes should accompany these blanks.

Another complication has arisen in connection with the administration of the soldier vote. The office of the secretary of the state has received several blanks, which had been opened before they reached the office.

Some of the soldiers have mailed their ballots to their homes, instead of to the secretary's office. The chaplain-in-chief of the famous French Blue Devils, Rev. Julia Cabanel, has accepted the invitation of the Lebanon war bureau, extended through the Connecticut War Council of Defense, to participate in the patriotic pilgrimage to historic Lebanon on September 8th, and to deliver an address at the exercises there.

Suggestion is made that the opening of the Hartford schools be delayed until the last week in September, owing to the need of children on the tobacco farms to harvest the crops. Although the farmers are offering very high prices for help, men cannot be secured, and therefore the claim is made that children must be secured in order to save the harvest.

## HEAD-ON AUTO CRASH AT YANTIC

Two automobiles, one belonging to George D. Fillmore of Walnut street and the other to William E. Ryan of Michigan, formerly of this city and Lebanon, met in a head-on collision at Yantic Friday afternoon. The crash was so severe that the occupants escaped serious injury.

The accident occurred on the curve in front of the Jaber Bailey place where there is a clear view of the road for several rods. The Ryan car, which was going toward Yantic, was hitting a fast clip on the left side of the road when approaching the curve.

The Fillmore car was coming toward Yantic at a moderate rate of speed when the driver, Lyle H. Fillmore, saw the Ryan car approaching.

Fillmore saw the Ryan car, which was driven by William E. Ryan, a chance to pass, but the Ryan car kept coming on the left hand side.

Fillmore, to avoid a crash, turned his car to the left but at the same time Ryan turned and the cars met.

The impact with which the two cars struck was heard for a mile around. The Ryan car was thrown into the air and landed on its side.

In the Fillmore car were Mr. and Mrs. George D. Fillmore, Lyle H. Fillmore and Mrs. John Irish. Mrs. Irish was thrown from the car and sustained injury. In the Ryan car was W. E.

Ryan, his brother, Charles Ryan, a Mr. Hart and a Mr. Park. W. E. Ryan had his leg slightly cut. A third Ryan brother, who was driving in a team was near the accident. It was said on Friday evening that the Ryan brothers in the car were intoxicated and in fact the police having in a team was so dead to the world that he did not even wake up when the cars struck.
